

Elevate. Innovate. Ascend

ABOUT US

Since its 2014 inception, City Elevators has stood out as a premier Qatar elevator company, offering unparalleled services. Our comprehensive solutions span maintenance, upgrades, repairs, installations, and modernization, underscored by personalized care, transparency, and meticulous documentation, fostering loyalty across Qatar.

Beyond core services, we lead in third-party maintenance across a diverse range of renowned and local elevator brands like LM, Hitachi, Orona, Schindler, KONE, OTIS, Kinetic, Mitsubishi, and more. This includes notable installations in esteemed institutions like the Ministry of Economics & Commerce, Qatar Charity, and the Ministry of Municipality & Environment. Our readiness, equipped with essential spare parts, extensive documentation, software support, and specialized tools, echoes our commitment to meeting diverse client needs.

MODERNIZATION

City Elevators specializes in upgrading your aging elevator or escalator to a brand new model. Our comprehensive modernization services encompass a wide array of offerings, including redesigning outdated systems, replacing worn components, and integrating the latest technologies with advanced control systems featuring a variety of enhanced features. We are also adept at restoring elevators that are currently non-operational. Our dedicated team is always prepared to deliver cost-effective solutions that swiftly address issues, ensuring minimal downtime for your convenience.
